

# Safety Harbor Little Free Library Scavenger Hunt

## Participant Instruction Sheet

### Saturday, August 7, 2021

### 10am - 2pm or anytime over the weekend!

**Welcome!** This scavenger hunt brings the community together, gets us out of the house and gives us a break from screens. Have fun seeing different parts of the city and finding Little Free Libraries. Search for the clues and if you like, take or leave some books.

**Let's get started!**

**1. Where do I find the clues?** Look for a clue taped to the Little Free Library at each stop noted on the next page. It may be a word to unscramble or decode. Look for clues about gnomes and fairies. After completion, go to [www.unplugcollaborative.org](http://www.unplugcollaborative.org) to check your answers.

**2. Great, now where am I going?** Look on back side of this sheet to find the addresses and a place to write down your answers to the clues.

**3. When you are finished with the Scavenger Hunt,** return the last page to the library to be entered to win a Garden Gnome. If you didn't pick up your free Unplugged Smartphone Napsack, courtesy of the Unplug Collaborative, you can pick it up when you drop off your entry. Note: The Library closes at 5PM on Saturday, so drop off before then or by Tuesday, August 10, by 8 PM to be entered.

**Want more fun ways to unplug?!** Go to [www.nationaldayofunplugging.com](http://www.nationaldayofunplugging.com) for our 50+ ideas including at-home activities like fort building, crochet for a cause, crafting and so much more.

**Here is a map of Little Free Libraries participating**

Below are the addresses to look for clues. If a Little Free Library listed below doesn't have a clue posted, move to the next one. (It should be there unless someone removed it.) The clues are not dependent upon one another. You don't have to do them in order, and if you miss one or two stops, don't worry.

Feel free to take or leave a book too!
